

International Veterinary Bioscience Scholarships

About the Scholarship

The Faculty of Sciences International Veterinary Bioscience Scholarship is available to international students who are seeking entry into the Bachelor of Science (Veterinary Bioscience) in Semester 1 of 2018 or 2019.

The scholarship provides a one-off **AUD \$5,000** payment for travel and living allowances under the conditions described below.

How to apply

Apply for entry into the Bachelor of Science (Veterinary Bioscience).

When you are offered admission into this degree, you will need to accept the offer within 10 business days. This will automatically be your application for the scholarship.

Eligibility requirements

In order to be eligible a student must:

- > Have applied to study the Bachelor of Science (Veterinary Bioscience) in Semester 1 of 2018 or 2019 and be offered admission in Semester 1 of 2018 or 2019 at the University of Adelaide; AND
- > Accepted their offer (once specified conditions have been met) within 10 business days; AND
- > Be an international student. International students are international citizens defined as those who will be studying onshore only with visa subclass 500.

The scholarships are only available to students that meet the acceptance deadline after 1 July 2017.

Selection criteria

The International Veterinary Bioscience Scholarship will be awarded to international students who satisfy the eligibility requirements and are still studying in their program past the University census date* for the semester they commenced in.

* for 2018 this date is 31 March (Semester 1).

Benefits

The scholarship provides a one-off AUD \$5,000 payment for travel and living allowances.

The scholarship will be paid to the recipient following confirmation of enrolment after the census date for the semester they commenced in.

Visa entitlements and requirements

Scholarship recipients are required to meet the cost of compulsory Overseas Student Health Cover (OSHC), tuition fees, living costs and cost of return airfares. These costs will not be covered by the scholarship.

Commencement

The scholarship must be taken up within the academic period for which it is offered. The University may withdraw the scholarship if a candidate fails to provide any required documentation or provides false or misleading documentation.

Deferment and withdrawal

It is not possible to defer the scholarship and the scholarship cannot be transferred to any other institution.

Students who subsequently withdraw from their program of study at the University before the census date for their relevant semester will not be eligible for the scholarship.

Application process

Acceptance of an offer for admission to the University in 2018 or 2019 for the Bachelor of Science (Veterinary Bioscience) within 10 business days will constitute an application for the scholarship.

Successful recipients will receive the scholarship from the Faculty of the Sciences. If the offer is not accepted in 10 business days, the offer of the scholarship will lapse and will be withdrawn.

The University reserves the right to amend the availability of the scholarship and/or the information provided in the scholarship details at any time.
