Prize rule

Value

The value of the prize shall be \$650, or such other amount as the University shall from time to time determine provided that the value of the prize does not exceed the annual distribution of interest available from the Endowment Fund.

Eligibility

The prize shall be awarded to the student in the final year of the program for the Degree of Bachelor of Agricultural Sciences.

Candidate Selection

The prize shall be awarded to the student who, in the opinion of the School of Agriculture, Food & Wine, is the best student in agronomy and is of sufficient merit.

If two or more students eligible for the prize are of equal merit, then the prize shall be shared equally among them.

Variations

These rules may be varied from time to time in a manner consistent with the University's legal obligations and policies.
