

# Molineux Nankivell Agricultural Prize

This Prize was established in 1911 by subscribers to The Albert Molineux Fund in memory of Albert Molineux (1832-1909) for the promotion of education at Roseworthy Agricultural College (the College). Albert Molineux was the founder and for many years Secretary, of the Agricultural Bureau in South Australia. He was a farmer and editor who exerted great influence on South Australian agriculture. In 2019, Mr William F Nankivell generously donated a further \$20,000 to the University to augment the Prize. Mr Nankivell was a previous trustee of the Albert Molineux Trust (from 1956); a member of the Advisory Board to the South Australian Agricultural Bureau (1956); a former Parliamentarian, becoming the State Member for Albert in 1959 and a Past President, Roseworthy Agricultural College (1973 - 1979).

The College resolved to use the fund to support an annual prize for a student of agriculture. The College merged with the University of Adelaide in 1990. Agriculture, once taught exclusively at the College, is now taught at all University campuses.
