Prize rule

Value

The prize shall be \$2,500 or such other amount as the Faculty shall from time to time determine.

Eligibility

Graduating student in the degree of Bachelor of Agricultural Sciences.

Candidate Selection

The prize shall be awarded to the student in the degree of Bachelor of Agricultural Sciences obtaining the highest aggregate mark in the subjects Professional Skills in Agricultural Science III and Research Methodology in Agricultural Science III. If two or more students eligible for the prize obtain equal aggregates in the specified subjects then the prize shall be shared equally among them.

Variations

These rules may be varied from time to time by the Faculty in consultation with the Bowker family but the title and purpose of the prize shall not be changed.
