

THE UNIVERSITY
of ADELAIDE

Faculty of Sciences

International Student Accelerator Scholarships

Chinese, Indian, Malaysian and Vietnamese Student Accelerator Scholarships

Faculty of Sciences Student Accelerator Scholarships are available to students who are seeking entry into one of the eligible programs in Semester 1 or 2 of 2018.

The scholarship provides a one-off **AUD \$2,500** payment for travel and living allowances under the conditions described below.

How to apply

When offered admission to The University of Adelaide in 2018, you will need to accept the offer within 20 business days. This will automatically be your application for the scholarship.

Eligibility requirements

In order to be eligible a student must:

- > Have applied to study a sciences eligible program as listed in Annex B (See below: Annex B – 2018 Eligible Programs) and be offered admission in Semester 1 or 2 in 2018 at the University of Adelaide; AND
- > Accepted their offer (once specified conditions have been met) within 20 business days; AND
- > Be a citizen of China, India, Malaysia or Vietnam; AND
- > Be an international student. International students are international citizens defined as those who are or will be studying onshore only with visa subclass 500.

The scholarships are only available to students that meet the acceptance deadline after 1 July 2017.

Selection criteria

The Student Accelerator Scholarships will be awarded to **Chinese, Indian, Malaysian and Vietnamese** students who satisfy the eligibility requirements and are still studying in their program past the University census date* for the semester they commenced in.

* for 2018 these dates are 31 March (Semester 1) and 31 August (Semester 2).

Benefits

The scholarship provides a one-off AUD \$2,500 payment for travel and living allowances.

The scholarship will be paid to the recipient following confirmation of enrolment after the census date for the semester they commenced in.

Visa entitlements and requirements

Scholarship recipients are required to meet the cost of compulsory Overseas Student Health Cover (OSHC), tuition fees, living costs and cost of return airfares. These costs will not be covered by the scholarship.

Commencement

The scholarship must be taken up within the academic period for which it is offered. The University may withdraw the scholarship if a candidate fails to provide any required documentation or provides false or misleading documentation.

Deferment and withdrawal

It is not possible to defer the scholarship and the scholarship cannot be transferred to any other institution.

Students who subsequently withdraw from their program of study at the University before the census date for their relevant semester will not be eligible for the scholarship.

Application process

Acceptance of an offer for admission to the University in 2018 for programs listed in Annex B within 20 business days will constitute an application for the scholarship.

Successful recipients will receive the scholarship from the Faculty of the Sciences. If the offer is not accepted in 20 business days, the offer of the scholarship will lapse and will be withdrawn.

The University reserves the right to amend the availability of the scholarship and/or the information provided in the scholarship details at any time.
