Enrolment Advice – General

- It is your responsibility to ensure you are correctly enrolled. Enrolment into courses outside of the Study Plan and Enrolment Advice listed could affect your eligibility to graduate.
- A total of **72 units** are required to complete the Doctor of Veterinary Medicine program.
- In addition to the clinical and practical rotations in the final year, there is also a requirement for a further 23 weeks of extra mural practical work during the program that must be completed prior to graduation.
- Please refer to your Program Rules for all requirements: <https://calendar.adelaide.edu.au/faculty/sciences>
- Please consult your [Program Coordinator](#) or contact the Faculty of Sciences Office for advice.
