

2018 Information Sheet for Students

Q Fever vaccination is a requirement for some programs within the School of Animal and Veterinary Sciences. Please refer to SAVS [Guidelines for vaccinations](#) for more information.

Q Fever Providers

Within South Australia (visit www.sahealth.sa.gov.au)

Within Australia <https://www.qfever.org/findvaccinator>

Cost

All costs associated with testing and vaccination must be paid for by the student. The cost of testing and vaccinations vary from provider to provider (ranging from approximately \$130 to \$500). The consultation fee at a GP may be covered by Medicare and the vaccination may be covered by some private health insurance companies. Students are advised to consult their private health insurance provider regarding associated costs with vaccines.

Preferred Providers

Please note group bookings are cheaper**

When booking in groups please supply name and contact number for each student.
