

BSC ACADEMIC ADVISORS

Faculty of Sciences

Updated:

5/06/2019 9:30

Academic advisors are designated members of staff in each area of interest within the Bachelor of Science and Bachelor of Science (Advanced). You may approach them directly for information about courses and appropriate course choices for particular academic pathways and careers.

For general Bachelor of Science course advice, [contact the Faculty of Sciences office](#).

Bachelor of Science (BSc)

Bachelor of Science (Advanced)

Bachelor of Science double degrees with Arts, Teaching or Law

INTEREST AREA
