

**Chemistry IB(S) – CHEM 1311
Course Schedule 2020**

Date	AM Session 10:10am-1pm Ingkarni Wardli B17 unless otherwise specified	PM Session (non-contact)
Thu Jan 16 th	11:10-12noon: Orientation lecture* (Badger LG17)	Day 1 videos, activities and practice questions
Fri Jan 17 th	Day 1 content workshop session	Day 2 videos, activities and practice questions
Mon Jan 20 th	Day 2 content workshop session	Day 3 videos, activities and practice questions
Tue Jan 21 st	Day 3 content workshop session	Day 4 videos, activities and practice questions
Wed Jan 22 nd	No classes	
Thu Jan 23 rd	Day 4 content workshop session	Day 5 videos, activities and practice questions
Fri Jan 24 th	Day 5 content workshop session	Day 6 videos, activities and practice questions
Mon Jan 27 th	Australia Day public holiday – no classes	
Tue Jan 28 th	Day 6 content workshop session	Day 7 videos, activities and practice questions
Wed Jan 29 th	Day 7 content workshop session	No classes
Thu Jan 30 th	Additional assistance/discussion (not compulsory)	Day 8 videos, activities and practice questions
Fri Jan 31 st	Day 8 content workshop session	Day 9 videos, activities and practice questions
Mon Feb 3 rd	Day 9 content workshop session	Day 10 videos, activities and practice questions
Tue Feb 4 th	Day 10 content workshop session	No classes
Feb 5 th – 14 th	SWOT VAC	
Feb 17 th – 21 st	Exam Week	

* Note that the orientation lecture is the only face-to-face session scheduled for this day – there is no workshop beginning at 10:10am.

Topics by Day

- Day 1: Energy and Equilibrium
- Day 2: Energy and Equilibrium
- Day 3: Energy and Equilibrium and Kinetics
- Day 4: Electrochemistry
- Day 5: Synthetic and Bio-organic Chemistry I
- Day 6: Synthetic and Bio-organic Chemistry II
- Day 7: Synthetic and Bio-organic Chemistry III
- Day 8: Synthetic and Bio-organic Chemistry IV
- Day 9: Synthetic and Bio-organic Chemistry V
- Day 10: Synthetic and Bio-organic Chemistry VI
