Check [Course Planner](#) or with the Faculty of Sciences Office to ensure you meet the pre-requisites prior to enrolling into this course.

Enrolment Advice

- It is your responsibility to ensure you are correctly enrolled. Enrolment into courses outside of the Study Plan and Enrolment Advice listed could affect your eligibility to graduate.
- A total of **96 units** are required to complete the Bachelor of Arts with Bachelor of Science program.
- To meet the Bachelor of Arts requirements you must complete 48 units of Arts courses including a major
- To meet the Bachelor of Science requirements you must complete 48 units of Science courses (from the Bachelor of Science [program rules](#)) comprising of:
 - 12 units of level I science courses
 - 12 units of level II science courses
 - 24 units of level III science courses including a major from the Bachelor of Science program rules
- Please consult your [Program Coordinator](#) or contact the Faculty of Sciences Office for advice regarding your Science courses
- Please consult the Faculty of Arts for advice regarding your Arts courses

Global Experience

The University of Adelaide is committed to offering its students the opportunity to study overseas through an International Experience. This experience is available in a wide range of degrees and can include student exchange (for either one or two full semesters), study tours, internships and placements. There are many exciting opportunities in Europe, Asia, the Americas, Africa, and Oceania ranging from a few weeks to a full academic year.

¥ The Faculty of Sciences recommends students who want to undertake an exchange in an overseas university plan to go in Semester 2 of Level 2 or Semester 1 of Level 3. To find opportunities available in your study area click [Study Overseas](#).
