GENERAL INFORMATION AND CONDITIONS

NON-AWARD STUDY

Non-award students are formally enrolled in University of Adelaide courses. Studies they undertake will be recorded on an official University of Adelaide transcript. They are assessed in the same way as award students, and are bound by all relevant University Statutes, Regulations, Rules and Policies and other conditions relating to students. Non-award students will be required to observe the academic dates set by the University (ie withdrawal and census dates). Critical dates are published at www.adelaide.edu.au/student/dates/.

Non-award students will have access to online and library resources necessary for their studies. However, they do not have a place in any University program and are not guaranteed a place in any program should they apply. Non-award studies in some courses may be subsequently credited to an award program, within unit limits set by the relevant Faculty or School, and published each year in the Program Rules in the University Calendar. For some academic programs in the Faculty of Arts, non-award studies may be considered for admission. Contact the Faculty of Arts for further information.

Non-award students will be permitted to enrol in award courses on the basis of a statement of assumed knowledge specifying the level of educational attainment required for the course rather than on the basis of prerequisites.
