Key

Core Course	Elective Course
-------------	-----------------

Check [Course Planner](#) or with the Sciences Service Hub to ensure you meet the pre-requisites prior to enrolling into these courses.

**Students who successfully complete CHEM 1101 Foundations of Chemistry IA and CHEM 1201 Foundations of Chemistry IB and who wish to continue their study of Chemistry at Level II will be required to undertake an additional course, CHEM 1312 Foundations of Chemistry IS during Summer School before commencing Level II Chemistry studies.

Global Experience

The University of Adelaide is committed to offering its students the opportunity to study overseas through an International Experience. This experience is available in a wide range of degrees and can include student exchange (for either one or two full semesters), study tours, internships and placements. There are many exciting opportunities in Europe, Asia, the Americas, Africa, and Oceania ranging from a few weeks to a full academic year.

* The Faculty of Sciences recommends students who want to undertake an exchange in an overseas university plan to go in Semester 2 of Level 2 and/or Semester 1 of Level 3. To find Global Learning opportunities available in your study area click [Study Overseas](#).

Enrolment Advice

- It is your responsibility to ensure you are correctly enrolled. Enrolment into courses outside of the Study Plan and Enrolment Advice listed could affect your eligibility to graduate.
- A total of 72 units are required to complete the Bachelor of Liberal Arts & Science program.
- Level I courses not exceeding 30 units.
- Level III courses to the value of 24 units.
- Core courses to the value of 33 units.
- Electives to the value of 39 units, which must include at least 18 units from the Faculty of Sciences, at least 18 units from the Faculty of Arts and at least 3 units of open electives OR refer to your [program rules](#) for rules on presenting an Arts or Science major or an Arts minor.
- In the case of a major or minor in Indigenous Knowledges and Society, students will be required to undertake an additional course to the value of 3 units in lieu of ABORIG 1002 Indigenous Scholarship & the Interplay of Knowledges.
- For all other information please refer to the program rules at the following link: <http://calendar.adelaide.edu.au/faculty/sciences>
