

## The Wazir Hasan and Amir Hasan Abdi Prize PRIZE RULES

### **Establishment**

This prize was established by a contribution to the University by Dr. Wazir Hasan Abdi in memory of his father Amir Hasan Abdi of Jaunpur (Uttar Pradesh) India, whose centenary of birth coincides with the centenary of the University in 1974.

The capital for the prize is held in perpetuity resulting in the minimum annual prize distribution paid from the Endowment Fund.

### **Value**

The value of the Prize will be \$500.00 per year, or such other amount as the University shall from time to time determine provided that the value of the prize does not exceed the annual distribution of interest available from the Endowment Fund<sup>1</sup>.

### **Eligibility**

The prize will be awarded annually by the University to a student who has completed the Honours Degree of Bachelor of Mathematical and Computer Sciences or Honours degree of Bachelor of Mathematical Sciences or Master of Philosophy degree in the year for which the prize is awarded and has written their research project in the area of Applied Mathematics or Pure Mathematics.

### **Selection of Candidate**

The Head of the School of Mathematical Sciences will award the prize to the eligible student who achieves the highest overall mark in the degrees specified above.

If there is more than one candidate of equal merit, then the prize shall be shared equally.

### **Variations**

The University may vary the rules from time to time in a manner consistent with the original objectives of the prize.

Rules approved by Deputy Vice Chancellor & Vice President (Academic) 21 June 2017
