Enrolment Advice – General

- It is your responsibility to ensure you are correctly enrolled. Enrolment into courses outside of the Study Plan and Enrolment Advice listed could affect your eligibility to graduate.
- A total of 48 units are required to complete the Master of Science program, consisting of:
 - Core courses to the value of 6 units
 - Courses to the value of 15 units towards a specialisation
 - Electives to the value of 9 units
 - Research Project to the value of 18 units in the specialisation area
- Please refer to your Program Rules for all requirements: <https://calendar.adelaide.edu.au/faculty/sciences>
- Please consult your [Program Coordinator](#) or contact the Sciences Service Hub for advice.
